It is enough for one group member to hand in the report.

Hand in a report in .pdf format

The report will be graded accordingly:

- 15% Introduction
- 25% Post mortem (i.e. what was a success, what could have been done better etc.)
- 25% Discussion about which requirements changed, what requirements were implemented, which ones weren't, and why they were not implemented
- 20% Updated class diagram
- 15% Other
